There are 3 Categories at the National Scramble Championship. All teams are eligible for the Gross Division. In order to participate in the Net Division, **ALL** 4 team members must have an official USGA/GHIN Handicap Index. If any player on your team does not have an official USGA or GHIN handicap index, the team will participate in the Open Net Division. Team handicaps for Net and Open Net Divisions will be determined by using the FCA handicap system. FCA reserves the right to investigate all handicaps and local tournament requirements. Competitors' handicaps at the time of verification will be used to determine the team handicap. 80% of the teams' total handicap will be used for the competition. A maximum team handicap is (-7) minus 7.
